- Monthly meetings
  - ✓ Topical presentations
  - ✓ Users Helping Users

- Communications
  - ✓ Message Boards
  - ✓ Mailing Lists
  - ✓ Journal Reports

SIG Mailing Lists
http://lists.wap.org/Lists/

WASHINGTON APPLE PI Mailing Lists

Public Mailing List Archives
Private lists require authentication, and are omitted from this table.

Mailing List	Description
GraphicArts-announce	Graphic Arts SIG announcements
Pi-announce (recommended)	Washington Apple Pi Announcements
PowerUsers-talk	Power Users SIG member discussion
Retired-talk	Retired SIG member discussion
iMovie-talk	iMovie SIG member discussion

Graphic Arts SIG

We're professionals, students, hobbyists, moms and dads, fine artists, print graphics artists, photographers, webmasters, T-shirt artists, font designers, technical illustrators, sign makers, scientists, video producers, and more. "Graphic Arts" means far more than it used to, and the range of topics and interests in the group (and the expertise members hold!) is amazing

Graphic Arts SIG

www.wap.org/gasig

Microsoft Customer

this is the latest version of security update, the "September 2003, Cumulative Patch" update which eliminates all known security vulnerabilities affecting MS Internet Explorer, MS Outlook and MS Outlook Express. Install now to protect your computer from these vulnerabilities, the most serious of which could allow an attacker to run code on your system. This update includes the functionality of all previously released patches.

System requirements	Windows 95/98/Me/2000/NT/XP
This update applies to	MS Internet Explorer, version 4.01 and later MS Outlook, version 8.00 and later MS Outlook Express, version 4.01 and later
Recommendation	Customers should install the patch at the earliest opportunity.
How to install	Run attached file. Choose Yes on displayed dialog box.
How to use	You don't need to do anything after installing this item.

Microsoft Product Support Services and Knowledge Base articles can be found on the Microsoft Technical Support web site. For security-related information about Microsoft products, please visit the Microsoft Security Advisor web site, or Contact Us.
