power cord(s) _____ keyboard _____ mouse _____

hard drive _____ USB cable: _____ other _____

Please fill in all the information above the line. This lower part for office use only.

Technician: _____

Consent To Perform Services

I give my consent to Washington Apple Pi, Ltd, its employees, agents, officers, member and volunteers (hereinafter called "the Club") to perform the service requested on the reverse side.

Data and File Safety

I understand that although the Club takes precaution to protect my files and data, the possibility of data and file loss does exist due to conflicts with hardware, software and human error. I understand that for this reason, the Club recommends that I have a complete backup of all existing software and files of any important data.

I understand that the Club cannot be responsible for any data loss that occurs as a result of any service(s) performed.

In light of this I am placing my initials in front of one of the following options:

_____ I already have a complete and current backup of all existing data. I AGREE NOT TO HOLD the Club responsible for any data lost as a result of any service(s) performed at my request.

_____ I DO NOT have a complete and current backup of all existing data and software, but I would like the Club to perform the requested services anyway. I AGREE NOT TO HOLD the Club responsible for any data lost as a result of any service(s) performed.
Exclusion Of Liability

Exclusion Of Liability

I understand that the Washington Apple Pi, Ltd. Computer Clinic is staffed by volunteers of varying ability doing their best to accomplish the services requested on the reverse side. Therefore, I agree to assume all risk inherent in the execution of these service(s) and release the Club from any and all liability or claim for loss or damage .

By signing this document, I certify that I have read and understand the above information and agree to ALL its terms and conditions.
