

π Washington Apple Pi Meetings π

π March 24, 2007 - Guy Serle

Macintosh journalist and podcaster Guy Serle of MyMac.com will be our guest presenter for the March meeting. Guy got his start writing articles for the Washington Apple Pi *Journal*. Join us for a fun and informative presentation that may include our being a part of a My-Mac Podcast.

π April 28, 2007 - Lesa Snider King

Our special guest will be Lesa Snider King. As a regular on the Your Mac Life broadcast doing a graphics segment each week, a presenter at both Macworld and Photoshop World, the editor of GraphicReporter.com, the host of her own podcast, Graphic Secrets for Business, and the spokesman for iStockPhoto.com, Lesa knows her way around graphics, photography and the Mac. Join us for her fact-filled and entertaining session.
