We all hope you enjoy the remarkable photographs taken by fellow club members.

One More Thing - Contest Feedback

We need your assistance to learn what is working well and what needs modification before we hold another Pi Photo Contest. The Management Committee has already penciled in a photo contest for the next fiscal year, which started on June 1st. Everyone reading this Contest Supplement is encouraged to send your impressions to the email address below:

piphotocontest@wap.org

We would especially appreciate hearing from those of you who provided verbal suggestions during the contest. Also, if you would like to become a contest insider, the opportunities are many. In any case, send an email to the above address and we will take it from there. Now, enjoy the photos!
